

NEW ACT JUNIOR GOLF TRAINING SQUADS

The boys listed below have been selected to try out for the new ACT Junior Golf Training Squads. Their selection is based on previous experience with ACT Representative Sides or follows recommendation by Club Junior Development Officers or Club Professionals. Individuals who played for the ACT this April in Toowoomba in the 2006 Interstate Series who turn 18 years before next April, and will, therefore, be ineligible to represent the ACT at the 2007 event in Perth, have not been included in the selection process.

The compliment of these squads is not fixed. Other ACT juniors who perform well in club and DGA events over the next few months, and come to the notice of ACT Junior Golf Management (Jim Jackson, Ross Jones, Stephen Tieck and Murray Blair), should expect to move into the squad. Conversely, any of those named below, who fail to commit to the training regime or who fail to play the game in the spirit in which it should be played, will find their place in jeopardy. Unfortunately, Golf Australia will not allow boys living outside the ACT, but who are part of ACT Monaro District, play for the ACT.

Stephen Tieck (Federal) -- State Squad, and Murray Blair (Gungahlin Lakes) -- Development Squad will be providing regular group and individual coaching sessions.

If there are any juniors who feel they may have been overlooked in the selection process, they should register for the next ACT Monaro Junior Week of Golf (5th, 6th, 7th July at RCGC, Belconnen Magpies and Gungahlin Lakes) and perform well enough to play themselves into one of the squads. Registrations forms for this event will be out soon so check your clubs and this web site.
