

ACT- MONARO DGA – 2022 PENNANT CONDITIONS

GENERAL CONDITIONS APPLYING TO ALL GRADES

Version issued: 3/2/2022

These General Conditions are to be read in conjunction with the Supplementary Conditions issued for each Pennant grade (at the end of this document).

ACT Monaro District Golf Association Pennants are governed by the Match Committee of the ACT Monaro District Golf Association, referred to in these Conditions as the "DGA Match Committee".

Rules decisions required during the preliminary rounds and semi-finals will be given by the host club Match Committee and will be final. All finals will be administered by the DGA Match Committee assisted by a nominee of the host club if required.

The DGA Match Committee may alter these Conditions at any time.

Payment of the Pennant team entry fees (\$44 per team, includes GST) to the Sec/Treasurer of the DGA is required prior to the start of the season.

PROGRAM

Contests will be played on dates fixed or altered by the DGA Match Committee. Any team failing to play on the date fixed will forfeit the Contest.

The full program with venues, dates and tee times is emailed to the Captains of all clubs and is also available on www.actgolf.com.au Home page -- Pennant.

HOST CLUB RESPONSIBILITIES

Buffer Zones. For all Pennant Contests, clubs should allow a generous buffer to assist members and Pennant players maintain an appropriate pace of play. Limiting club competitions on the day to Stableford or Par could also help.

Course Set-up. Clubs are responsible for: course set up, with grade-appropriate tee positions, such as A Grade off longer white or blue tees, senior and junior grades off shorter white tees; and presenting its course at an appropriate high standard.

Match Committee during Preliminary Rounds and Semi-Finals. Host clubs are to: appoint a Match Committee (at least one person and excluding any player or caddie in the Contests); apply the Rules of Golf and these Pennant Conditions (and advise any breach of these Conditions) and ensure an appropriate pace of play.

Catering. There is no requirement for clubs to provide free meals or drinks.

FORMAT OF PLAY

Competitions between teams will be known as Contests and will be played under the Rules of the R&A, host club Local Rules and these Conditions.

Exception: Model Local Rule E-5: Alternative to Stroke and Distance for Lost Ball or Ball Out of Bounds will not apply to Pennant Contests.

Individual matches shall be over 18 holes of Match Play. In the preliminary rounds, play will not be extended -- a match tied after 18 holes will conclude tied. However, in semi-finals and finals, individual matches will be played to a conclusion. If the contest is then tied, each team will select one player to play a sudden death play-off. That play-off will be off scratch, even in handicap grades, and should start from where the match commenced.

In semi-finals and finals once a Contest result is achieved, the Match Committee or the Captains of both teams may agree to terminate any continuing matches and those matches will be considered tied.

PLAYER NUMBERS

Team size is 6 players in all contests.

ORDER OF PLAY

The honour is based on coin toss or similar. Teams will hit off in reverse order to the team list (number 6 players first, number 1 players last) in groups of 4 (2 matches).

Exception: A Grade (Div. 1) Final may be in pairs if acceptable to the host club.

TEE-TIMES

Tee times are organised by the DGA Captain and clubs prior to the start of the season and shown on www.actgolf.com.au. Play should commence from the 1st tee, unless approved otherwise by the DGA.

PLAYER ELIGIBILITY

General. Each player must be an amateur golfer and a bona-fide playing member of the club represented. A bona-fide member will generally be eligible to participate in the club championships. In general, no player can represent more than one club in any division during the season. If a club has more than one team in a grade, a member of one team is ineligible to play in the other team.

Exceptions:

- a) *A player may play for one club in the Thursday Pennant program and a different club in the Sunday Pennant program if a member of both clubs;*
- b) *A player may represent a club in Southern Pennants and a different club in these Pennants if a member of both clubs;*
- c) *A 5- or 6-day member who might not be eligible to play in their club championships may play in the Thursday Pennant Program.*

Male golfers with an official GA handicap are eligible to play in any grade, subject to the requirements of individual grades. Female golfers with an official GA handicap are only eligible to play in Junior Pennant providing the age requirement is met.

Finals. To be eligible to play in a semi-final or final, a player must have played at least one game for that team in the preliminary rounds.

CADDIES AND FELLOW TEAM MEMBERS

Any person **not part of the Team** on the day of the Contest may act as a caddie. Caddies are permitted to use transportation provided: 1) The player does not ride at any time; and 2) The player does not accept advice from anyone except the caddie.

Fellow team members on the day must not caddie or provide any advice at any time, including before and after their individual match.

Penalty – general penalty for each hole a fellow team member assists a player.

COVID-19

Pennant matches must comply with any Covid-19 rules and regulations imposed by the respective government or host clubs on the day of the Contest. Team managers are to ensure all players understand the playing conditions (for example, relating to bunkers and flagsticks) and Local Rules at each venue.

PLAY/PRACTICE ON COURSE BEFORE AND AFTER MATCH

Players must not play or practice, before or after their match, on the competition course on the day of competition (i.e. Rule 5.2a does not apply for this competition). However, Rule 5.5 applies, allowing limited practice between holes during a match.

Penalty – forfeiture of the individual match.

TEAM LIST GIVEN TO OPPONENT AND HOST CLUB STARTER

The captain or manager of each team must advise the official representative of the host club and the opponent the names of the players in playing order at least ten minutes before the nominated starting time (i.e. provide a team sheet). A blank copy of the official team sheet and results sheet is available on www.actgolf.com.au. If a team is short of players, their team sheet must be numbered from the number one position and the team will forfeit any places not represented.

In handicap grades, teams must list players in daily handicap order – lowest at number 1, highest at number 6. Any order applies if daily handicap is the same.

Penalty: forfeiture of the matches of players playing out of handicap order

TEAM FORFEITS. If a team forfeits a round, the opponent receives full points and a 6-0 Contest score at the point that a team pulls out. If a club fails to field a full team, the DGA Match Committee will request an explanation. An unsatisfactory reply may result in a penalty, for example, a monetary fine or loss of competition points.

WINNER OF THE CONTEST

The team that wins most individual match points wins the Contest. Each match won gets one individual match point, half a point is allocated for each tied match.

Two Pennant table points are allocated for each Contest win in the preliminary rounds. One Pennant table point is allocated to each club for a drawn contest.

COUNTBACK ARRANGEMENTS FOR PENNANT TABLE

The following countback arrangements apply. If Pennant table points are equal, individual match points determine the order. If still tied, the higher individual match points in the Contest(s) between the tied clubs decide the order. If still tied, or the clubs did not play against each other, the highest number of wins at the number one position (and if still needed the number two position and so on) determines the order. If still no result, the DGA Match Committee will resolve the issue.

SEMI FINALS AND FINALS

For Pennant grades with one division, the top four teams will contest the semi-finals. The team finishing first will host a semi-final against the team finishing fourth; and the team finishing second will host a semi-final against the team finishing third.

For Pennant grades with two pools, the top two teams in each division will contest the semi-finals. The team finishing first in each division will host a semi-final against the team finishing second in the other division.

For Senior Handicap's three pools, semi-finalists will be the three pool winners and one second-placed pool team. Countbacks will (a) order the pool winners to Nos. 1, 2, 3; and (b) decide the No. 4 semi-finalist among second-placed pool teams. Team 1 will host team 4 in one semi-final, team 2 will host team 3 in the other. Countbacks will be based on the percentage of individual match points over the season from the total of available points. If needed, the percentage of matches won at the number one position will then be used, and so on. If still required, the DGA Match Committee will resolve the issue.

The winners of the semi-finals will contest the final.

SLOW PLAY

All clubs and the DGA Match Committee have a mutual interest in ensuring Pennant fixtures achieve an acceptable pace of play. The Match Committee of the day may apply penalties under Rule 5.6b for slow play, including loss of hole or disqualification. Each match must play without unreasonable delay, keep up with the preceding match and meet any specific pace of play guidelines the Match Committee of the day establishes.

PROCEDURES FOR CANCELLATION, SUSPENSION OR POSTPONEMENT OF PLAY

EXTREME HEAT. Pennant matches will be cancelled if the Bureau of Meteorology Canberra forecast Canberra at 6pm the evening before is a maximum temperature of 38C or more on the day of the match (36C for Juniors). If occurring in the preliminary rounds, the scheduled Contests will be drawn (1 point and 3 games each).

OTHER SITUATIONS. Every effort should be made to complete the Contests as scheduled, even if inclement weather causes delays or suspensions. **Play should not be cancelled for the day** unless it would not be possible to complete all matches. This decision rests with the Match Committee for the day. Course conditions, time available and player safety should be considered.

If one team has secured sufficient individual match points to win the Contest, it gets two Pennant table points. Incomplete individual matches shall be considered tied.

If a Contest is cancelled prior to play, or before a started Contest reaches a result, each team will receive one Pennant table point and 3 individual match points.

SUPPLEMENTARY CONDITIONS FOR EACH GRADE

A GRADE (Divisions 1 and 2)

PLAYER ELIGIBILITY. A player who has played more than 2 individual matches in Division 1 during the season is not eligible to play in Division 2.

ORDER of PLAY. Players can be listed in any order on the team sheet. Number 6 players hit off first; number 1 players hit off last.

B SCRATCH GRADE

HANDICAPS. To be eligible to play in B Scratch a player must have held a 'Low GA handicap' of 8.0 or above on 1st January 2022.

ORDER of PLAY. Players can be listed in any order on the team sheet. Number 6 players hit off first; number 1 players hit off last.

HANDICAP GRADE

HANDICAPS. A competitor's daily handicap will be his GA handicap, adjusted using the Golf Link 'Look-up' chart for the course and tees on the day of the match. However, a maximum daily handicap of 18 will apply in this grade. Individuals with higher handicaps must use a maximum daily handicap of 18.

The Men's Match Play index – as listed on the club score card – determines the order of holes at which strokes are given or taken.

Players must be listed on the team sheet in daily handicap order, with the lowest handicap player listed in the number 1 position. Number 6 players hit off first; number 1 players hit off last.

Players with the same daily handicap may play in any order.

If a match tied after 18 holes must continue, the play-off is to start where the match commenced (normally the 1st hole) so handicap strokes given or taken don't change.

JUNIOR GRADE

PLAYER ELIGIBILITY. Male and female players under the age of 18 years on 6/2/2022 are eligible to play in this grade.

TEEING GROUNDS. Host clubs should appreciate that Junior Pennants contains players of varying ages and golfing abilities, so should set up courses conservatively. Wherever possible, courses should be set-up so boys play off "easy blue or white tees" and girls play off "easy red tees".

HANDICAPS. A player's daily handicap will be his or her GA handicap, adjusted using the Golf Link 'Look-up' chart for the course and tees on the day of the match, and is subject to a maximum daily handicap of 36 for boys and 45 for girls. Individuals with higher GA handicaps must use the maximum daily handicap.

The Men's Match Play index – as listed on the club score card – determines the order of holes at which strokes are given or received.

FORMAT. Players must be listed on the team sheet in daily handicap order, with the lowest handicap player listed in the number 1 position. Number 6 players hit off first, number 1 players hit off last. However, (as a trial for 2022) respective team managers, by mutual consent, may:

- a) agree to play the number 1 and 2 positions as scratch matches (if the h/c's of the players involved are within 3 strokes of each other); and
- b) modify the playing order to avoid significant age/gender mismatches.

Players with the same daily handicap may play in any order.

If a match tied after 18 holes must continue, the play-off is to start where the match initially started (normally the 1st hole) so handicap strokes given or taken will be unchanged.

MIXED MATCHES. Based on the JNJG Pennant Conditions - On a particular hole, when a boy plays against a girl, and the par for the hole is different, the outcome of the hole is determined by the net score in relation to par.

SENIOR GRADE

Age limits. At least 50 years on the date of play.

Clubs with two teams in Handicap. Players must only represent one team during the season, including finals.

Order of play. Scratch – Players can be listed in any order on the team sheet.

Number 6 players hit off first; number 1 players hit off last.

Handicap – Players must be listed on the team sheet in daily handicap order with the lowest handicap player listed in the number 1 position. Number 6 players will hit off first; number 1 players will hit off last.

Handicap Divisions

A competitor's daily handicap will be his GA handicap, adjusted using the Golf Link 'Look-up' chart for the course and tees on the day of the match. However, a maximum daily handicap of 27 applies in this grade. Individuals with higher handicaps must use a maximum daily handicap of 27.

The Men's Match Play index – as listed on the club score card – determines the order of holes at which strokes are given or received.

If a match tied after 18 holes must continue, the play-off is to start where the match initially started (normally the 1st hole) so handicap strokes given or taken will be unchanged.

Locomotion. Any form of motorized locomotion is permitted, subject to any restrictions applied by the host club.
