

ACT Monaro District Golf Association Inc.

The first competition for our juniors in 2024:

Junior Classic at Yowani on Thursday 11th January

A huge thank you to Yowani for making the juniors welcome and thank you also the Jim Jackson who assisted with the starting and Les Wallace who was on the course to advise rulings around the construction fencing.

Low in numbers for many reasons and nice to meet some new faces. Yowani at present under alterations still offered a challenging game for the players. The holes 10 to 18 gave players the chance to improve their results and most did just that.

The competition was divided into three sections, the lower markers playing stroke and the rest being divided into two divisions of stableford.

Denver Field from Yass recorded best gross but had to survive a count back from Kortni Houston from Gungahlin Lakes. Best Nett was Liam Houston from Gungahlin Lakes.

Stableford Division 1 - Mitchell Blundell from Yass with 41 points, second was Yowani's Noah Ellems with 39 points and third Matthew Moore from Murrumbidgee with 35 points

Stableford Division 2 - Best was Jett Neddrie from Federal with 36 points on countback from Charlie Brown from Gungahlin Lakes and third also with 36 points was Cody Bush from Yowani.

The players who will be representing ACT in state finals of pennant were wished success when they travel to Newcastle this coming weekend.

Gail Goiser
Junior Golf Manager
